Eleven races were held in near perfect conditions with the breeze varying from 5-12 knots out of the Northwest. The twelve teams that comprise the Cape and Islands Leagues battled it out all day and going into the second to last race five teams had a shot at being crowned the 11th Annual Figawi Invitational Champion. The boats sailed windward leeward courses right off the Nantucket Boat Basin docks where sailors, tired from a busy day on the water yesterday, were able to sit back and cheer on some of the best high school sailors on the cape and islands. Dartmouth won with six firsts and only one bad race followed by Dennis-Yarmouth, and then Nantucket.
